URGENT UPDATE FROM FAITHPRAYERS

At FaithPrayers Ministries, our hearts and prayers go out to the victims of the devastating earthquake in Haiti. FaithPrayers Ministries is collecting funds for two of the many orphanages in Haiti affected by the crisis: Faith Orphanage and the Hands & Feet Project. Both orphanages have suffered the complete loss of the buildings at their Jacmel locations and their children are sleeping in fields due to the destruction. Praise the Lord, however, that all orphans and staff at both the Hands & Feet Project and Faith Orphanage have survived. Additionally, we know that Faith Orphanage plans to rebuild on the same location, and Faith-

Prayers wishes to help them with this goal.

FaithPrayers Ministries asks you to join us in supporting Faith Orphanages and the Hands & Feet Project. 100% of all funds designated for Haiti will be immediately sent to provide assistance to these children.

Haiti has an astonishing number of people under the age of 18, and many thousands of orphans. Please help us help them stay alive and safe through this catastrophe. Many people around the world are praying, and we join them in asking: "God Have Mercy".

You can donate to the Haiti Relief effort online at our webpage or by

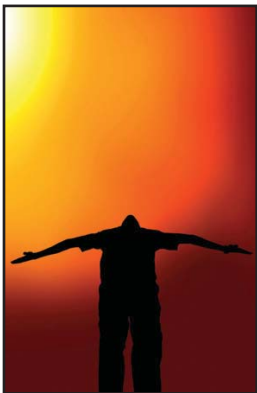

check. Just go to www.faithprayers.org or send your check noted for 'Haiti' and made payable to 'FaithPrayers Ministries' to:

THE MISSION OF FAITHPRAYERS

1. To operate a nationwide, toll-free prayer line. We want anyone to be able to call at anytime and reach someone to pray with about their concerns. In this regard we have

two concrete goals. The first is to make sure our prayer line number can be found in places like gas stations, restaurants, bookstores,

and on grocery store bulletin boards, and not just in churches. The second is to recruit compassionate and Bible-believing prayer volunteers in good standing with their local churches to pray on the prayer line. It is important to us to make this prayer line available to anyone, wherever they are, at whatever time they may need to call.

2. To have as many funds and resources as possible to give to missions and Christian organizations around the world. We are committed to providing as many resources to the rest of the Kingdom as we

can. We also will support only organizations that have a strong and proven record of accountability and productivity. This desire to move funds and resources into the many worthy Christian organizations is part of the central lifeblood of FaithPrayers.

3. To go beyond the phone lines to provide prayer for people of all ages, regardless of any current life situation. Whether we travel to mansions or halfway houses, nursing homes or children's homes, we want prayer support to be available for everyone who seeks it.
