

# FaithPrayers Ministries

It is our privilege to pray for you

## CALL UPDATES

We continue to receive calls on many issues, but since the beginning of the current recession, the number of calls from those in desperate unemployment situations have steadily increased. Some callers have lost their jobs, and others may soon be let go. These calls can be heart-wrenching, as people explain their fears of losing homes and businesses, and tears often fall on both sides of the prayer line. We pray for the strength of marriages in these

situations, for the protection of children, and for hope for all involved.

Over the months of this recession, some callers have contacted us again – with good news and bad. Some have called about jobs found and homes saved, and thanking us profusely for our prayers. Hearing this news is always a blessing to us, and for every chance we have to be part of God's answers and actions, we are deeply grateful. Other callers still

are waiting, and we continue to stand with them in prayer.

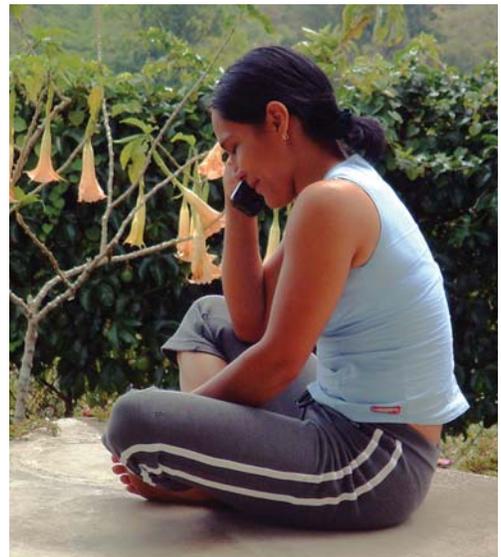

We ask that you would keep us in your prayers as we lift up the many people facing the backlash of an economy in trouble. Thank you for your support of this ministry as we endeavor to do our very best for everyone who calls, while continually trusting in the God who hears.

## VOLUNTEERS NEEDED

If you would like to volunteer to pray with individuals calling the prayer line - please contact us! We can be reached via the phone line at 1-866-515-9406, or by email at [faithprayers@faithprayers.org](mailto:faithprayers@faithprayers.org).

You do not need to leave your home to be a volunteer on the prayer line - the prayer line will come to you! The FaithPrayers prayer line can be transferred to volunteers located anywhere in the continental United States, Hawaii and Alaska. We can transfer the prayer line to your home phone or a designated cell phone. When you become a volunteer, we will teach you how to work on the line, and will also walk with you through our training manual. Additionally, we provide once a year in-person training, if you are in an area where that is available. In all regards, we will work around your schedule as best we can.

We would be honored to have you join us! Give us a call or email us today!
